My favorite programming environment is VIM running under Ubuntu Linux.

### WORK EXPERIENCE

<b>2005-2008</b>	Various projects as a freelancer on RentACoder. My online profile (including previous work) can be seen here: <a href="http://www.rentacoder.com/RentACoder/DotNet/SoftwareCoders/showBioInfo.aspx?IngAuthorId=1576465&amp;Tab=1">http://www.rentacoder.com/RentACoder/DotNet/SoftwareCoders/showBioInfo.aspx?IngAuthorId=1576465&amp;Tab=1</a> My rating is 10, I have completed 75 jobs and I have successfully completed all the projects I have won through auction.
<b>2007-2008</b>	Personal projects, including a lyrics database, an online multi-player game, and an online media player. However, most of them have not been finalized due to lack of time.
<b>2008</b>	Member of InfoArena team ( <a href="http://www.infoarena.ro">http://www.infoarena.ro</a> ), a website which prepares HighSchool students for informatics contests, with a community of about 6000 users at the current moment.
