8. _____ Take notes
9. _____ Thank the interviewee

Try It / Solve It

1. (Optional Practice: Animal Shelter Project)

This practice is step 4 in the Animal Shelter project.

2. Produce a format you could use to document design revisions uncovered during a presentation. Detail what would be included in each section of the document.

3. (Optional Practice: Animal Shelter Project)

This practice is step 5 in the Animal Shelter project.
